

TTMDA SUMMIT 2026

25 Jul - 2 Aug 2026 Manila, Philippines

25 Jul : TTMDA Teachers Level Assessment

DJEMBE TEACHERS SUMMIT 26 - 28 Jul

Pay along with TTMDA Certified Teachers and learn TTMDA curriculum: Dununba Rhythms, Solo Technique, Solo Improvisations, Mamady Creations to enrich your djembe knowlwegde & repertoire.

Experienced players or enthusiasts who wish to explore deeper into TTMDA's curriculum are welcome to join as well.

Learning and playing together with TTMDA teachers provide the opportunity to play rhythms and technique that most people normally has no resources/community to play with, thereby guaranteeing an enriching experience.

There will also be discussions and sharing on djembe teaching technique & insights.

DJEMBE PLAYERS SUMMIT (Enhance) 29 Jul - 2 Aug

Have fun making music with djembe enthusiasts from around the world AND learn intensive djembe percussion showcase performance arrangements.

Learn djembe, dunun and solo parts of traditional & Mamady Keita rhythms in the morning. After lunch, brace yourself with intensive percussion showcase arrangements that will test your memories and challenge your technique. And then drum along to Djembe Pyramid arrangement joyfully together with all djembe players before each day ends.

Coined by the late Mamady Keita, 'Djembe Pyramid' is playing a medley of rhythms like how a pyramid is built from a wide bottom to an intensified top. Experience djembe joy through rhythms created by Mamady from a nice and easy start to an intensified climax end!

DJEMBE PLAYERS SUMMIT 29 Jul - 2 Aug

Make music with djembe & dunun enthusiasts from around the world like yourself and stand with us in manifesting our mission of "Djembe Knows No Borders".

Learn all drum parts of traditional & Mamady Keita rhythms, as well as solo phrases in the mornings. Relax and experience Manila with extended lunch hours before joining the workshop again to learn Djembe Pyramid in the late afternoon.

Coined by the late Mamady Keita, 'Djembe Pyramid' is playing a medley of rhythms like how a pyramid is built from a wide bottom to an intensified top. Experience djembe joy through rhythms created by Mamady from a nice and easy start to an intensified climax end!
